

Annual Report (2024-25)

1. An electric pump, in addition to a solar power pump, was installed in April 2024 in Notun Para area of Amlasole, where exists the hostel (supported by The Catalyst) run by the Amlasole Birsa Munda Gram Unnayan Committee. This intervention was deemed necessary due to the lack of efficiency of the solar-run one and the need for potable water for the residents of the area and the 20 hostel inmates.
2. The installation of the fencing surrounding the hostel area was completed in April 2024; the work started in March 2024.
3. A new set of uniform was given to all the students of Kendgora Adarsha Shikshayatan, Amlasole; students and the staff were also given new dress/dress material (courtesy, friends of The Catalyst).
4. On November 9th of 2024 a medical camp was held in the school campus for the villagers. Three doctors (Dr. Gautam Banerjee, Dr. Avijit Chatterjee, Dr. Sonali Sain) attended one hundred and sixty five patients from varying age groups.

5. On 16th February 2025 Annual Sports Meet was organized.

6. The boundary of the school campus has been given a fresh look with a new fencing and entry gate

7. A medical camp was organized on 29.03.25; 120 patients attended. After the first camp in November an improvement was noted.
